## INVITATION LETTER

**Dear Sport friends,**

It is with great pleasure and excitement that we extend our warm invitation to the European Rafting Championship, scheduled to take place in Konjic from June 10, 2024, until June 15, 2024.

The pristine Neretva River, renowned for its crystal-clear waters and stunning hues, will be the stage for this exhilarating competition. Characterized as a typical mountain river, the Neretva boasts an incredible drinkable clarity upstream from Konjic, a rarity in itself. In June, the water levels are optimal for an exhilarating competition, ranging from third-degree to intermittent fourth-degree challenges along the course.

Despite seasonal changes, the water temperature remains consistent due to the Neretva's fast-flowing, tributary-rich, mountainous nature, averaging between 10 to 12 degrees Celsius. Moreover, the ambient air temperature during June, when the competition is set, averages around 25 degrees Celsius, providing an ideal climate for this thrilling event.

The Rafting Garden Association stands as the driving force behind this championship, dedicated to preserving the Neretva River, advocating for the interests of tourism agencies, and fostering the development of rafting as both a sport and a tourism highlight in Konjic, Bosnia and Herzegovina, and globally.

Your participation in this championship would not only contribute to the celebration of rafting as a sport but also mark your engagement in the preservation and promotion of the Neretva River's natural beauty. We eagerly anticipate your presence and active involvement in the European Rafting Championship. Please feel free to contact us for any further information or assistance regarding your participation.

Warm regards,

Samir Krivić

President
